Budget, Office of Management and. "Historical Tables." 1940. White House. White House. 14 May 2016 <https://www.whitehouse.gov/omb/budget/Historicals/>. This Table helped me understand how committed the U.S. government was to beating the Soviets and that is why they increased the budget of NASA during that time.

Eisenhower, Dwight D. "Discussion at the 347th Meeting of the National Security Council." 5 December 1957. history.nasa.gov. Dwight D. Eisenhower Library. 16 May 2016 <http://history.nasa.gov/sputnik/dec57.html>. This document portrayed how committed the U.S. was to stopping Communism by creating agencies based from foreign policy objectives.

"Memorandum on Organizational Alternatives for Space Research and Development." 30 December 1957. history.nasa.gov. Eisenhower Library. 14 May 2016 <http://history.nasa.gov/sputnik/iv1.html>. This memorandum helped me understand the reasoning behind all the agencies implemented during the Space Race and what significance they would have on us.

Eisenhower, Dwight D. "Radio and Television Address to the American People on Science in National Security." 7 November 1957. presidency.ucsb.edu. John Woolley and Gerhard Peters. 26 April 2016 <http://www.presidency.ucsb.edu/ws/?pid=10946>. This primary document helped me learn more on how scared people were of communists and that Sputnik could mean that the Soviets will launch nuclear weapons.

Johnson, Lyndon B. "Memorandum from Vice President Johnson to President Kennedy on the space program." 28 April 1961. jfk library. John F. Kennedy Library and Museum. 29 April 2016 <http://www.jfklibrary.org/Asset-Viewer/DjiWpQJeGKUlX7WZAUtQ.aspx>. This document gave me a better understanding of why it was important for the U.S. to take necessary actions. If the U.S. did not make hard decisions it would not have become a world leader.

Kennan, George. "Sources of the Soviet Conduct." July 1947. digitalhistory.edu. digital history. 29 April 2016 <http://www.digitalhistory.uh.edu/disp_textbook.cfm?smtID=3&psid=3629>. This document changed the course of the war because it convinced President Harry Truman that Communism was a threat and something needs to be done but peacefully and helped me realize that there were many foreign policy tools that were used to try and peacefully prevent communism from spreading.

and what a achievement it would be.

Mcarthy, Joseph. "Speech of Joseph McCarthy, Wheeling, West Virginia." 9 February 1950. History Matters . 26 April 2016 <http://historymatters.gmu.edu/d/6456>. This primary document taught me more about McCarthyism and Communists. It also showed me that it was a very scary point of time.

McNeil, Caroline. "Sputnik Propaganda Poster." 1960. word press . 12 May 2016 <https://histsci122v.wordpress.com/2013/11/03/primary-source-sputnik-propaganda-poster/>. This poster helped me understand that Sputnik was a incredible achievement for the Soviets and a big threat to America.

"Partners Sign ISS Agreements." 29 January 1998. Nasa.gov . Nasa. 29 April 2016 <http://www.nasa.gov/mission_pages/station/structure/elements/partners_agreement.html>. This picture showed me all the countries that signed the International Space Station Agreement and that the space race had eased many tensions with countries, allowing them to work together.

Time Magazine. "time.com." 14 October 1957. Time . Ed. Time. Time Magazine and CNN. March 2016 <http://content.time.com/time/magazine/article/0,9171,862778,00.html>. This primary document showed me what a surprise Sputnik was to Americans and what a technological achievement it was.

U.S. and USSR . "Apollo Soyuz Test Project Information for the Press ." 1975. nasa.gov . 2016 April 2016 <http://history.msfc.nasa.gov/apollo/docs/Apollo-Soyuz_Press_Kit.pdf>. These pictures of the Apollo-Soyuz Test Project gave me a better understanding of how the Soviet and Americans had to work together to build this. It also helped me better understand how the space race brought complex technical advancements.

USIA. "Impact of U.S. and Soviet Space Programs on World Opinion ." 7 July 1959. history.nasa.gov . 11 May 2016 <http://history.nasa.gov/sputnik/july59.html>. This document helped me understand what other countries thought of the achievement of Sputnik by the Soviets and who supported the Americans.

USSR. "Space Race Research by the Soviet Union: English-Language Translations from JPRS Reports." 8 November 2014. Readex . 15 May 2016 <http://www.readex.com/blog/space-race-research-soviet-union-english-language-translations-jprs-reports>. This document showed me what the Soviets thought of the moon landing and how proud they were to get as far as they did.
These schematics helped visualize how much ARPANET grew and how it affected everyone across America.

"World War II." rarenewspapers.com. Timothy Hughes rare and early newspapers. 30 April 2016 <http://www.rarenewspapers.com/entry/world_war_ii>. This newspaper helped me visualize what it would be like to live during that time and how huge of news this was.
